CONFORMITY OF PRODUCTION
Scope of Clearance: ECE R90.02

This letter is to confirm that satisfactory evidence of the quality system/controls have been witnessed operating within:

FRENI BREMBO S.p.A.
Viale Europa 2, 24040 Stezzano (BG)

Therefore I am glad to confirm that Conformity of Production clearance has been granted. Conformity of Production Clearance has been granted from 14/11/2015 to 13/01/2016. At the end of the clearance period, a review will be undertaken. If everything is satisfactory then a further period of clearance will be granted. An audit visit may however take place before or within the period of clearance, at a mutually convenient time/date.

Under our procedures we retain the right to make monitoring visits to witness the system in operation, which are chargeable. In addition, we may purchase type approved vehicles and components and check them against the relevant Regulations and Directives.

It should be noted that Conformity of Production clearance relates only to manufacturing systems and procedures. Product approval does not exist until the appropriate type approval certificate has been issued. If you require further help or information please let me know.

Yours sincerely,

Michela Pegurri
