

CERTIFICATE

According to BER 461/2010 and the sector specific guidelines

We hereby certify that the DENSO products sold by DENSO Europe B.V. in the European Aftermarket fulfill the quality requirements applicable for the use of spare parts for repair or maintenance of motor vehicles by authorised repairers, as defined in the sector specific guidelines in the Block Exemption Regulation 461/2010.

October 2011
DENSO Europe B.V.

S. Richardson
Director Aftermarket Sales
